### Section 2. No Changes

### Section 3. Minimum Electronic Dauber Standards:

- (a) No Changes
- (b) No Changes
- (c) No Changes
- (d) No Changes
- (e) Electronically stored cards must reside in a non-volatile read only storage medium. Currently acceptable means for storage of electronic cards are:

- (1) EPROM - Erasable Programmable Read Only Memory

- (2) CDROM - Compact Disc Read Only Memory
- (3) HDD - hard disc drive.

Electronically stored card sets shall not be subject to change without the prior approval of the Commission. In addition, the card sets shall be accessible to the Commission through on-site inspection ~~and by remote access through software programs provided by the manufacturer.~~

- (f) No Changes
- (g) No Changes

Section 4. Minimum System Requirements:

- (a) No Changes
- (b) No Changes
- (c) No Changes
- (d) Upon the win of a participant, the system must be capable of printing a hard copy of the winning card including the card control number of the card-face. This information is to supplement the prize report information required by Bingo Regulation VII, J., Section 5. **Only electronic card faces sold for that session and that particular game shall produce a good bingo from the verifier. All voided transactions shall be removed from the list of cards in play for a particular game and all voided transactions should indicate the time and date either being voided prior to game play or after game play has been completed.**
- (e) No Changes
- (f) No Changes
- (g) No Changes
